

The CNA Corporation is *pleased to announce...*

The CNA Corporation (CNAC), and its winning team of proven industry leaders, has been selected by the Department of Homeland Security's U.S. Customs and Border Protection as a successful awardee for their Administrative and Professional Services Contract. Services to be provided under this contract include procurement support, financial solutions, organizational consulting, and administrative support.

CNAC is a not-for-profit research and analysis organization with a 64-year history of delivering high-quality analysis of policies and programs to federal, state, and local agencies. CNAC will serve as the prime contractor with the Director of CNAC's Center for Human Capital Management, Vincent T. Taylor, leading the team. The CNAC Team includes Turn Key Office Solutions, YRCI, Inc., Catapult Consultants, LLC, Management Concepts, and Prime Time Records Management Services.

congratulations to our DHS/CBP partner...

We congratulate U.S. Customs and Border Protection for proactively investing the time upfront to craft this mutually advantageous procurement vehicle. Streamlining this business process enables all parties involved to place greater focus on delivering services to support their mission of protecting physical ports, borders, and our economic security.

our team success criteria sets us apart...

The synergy of this CNAC Team demonstrates that the whole is greater than the sum of its parts. They share a commitment to: ♦ Top down executive level involvement ♦ Seamless communication with mutual understanding of roles and responsibilities ♦ Service excellence with extensive national security experience ♦ Diligent "follow through" that yields returning customers
